7th Edition

Hello, Sisters with Heart!

Here it is, 2016 already! May this new year be filled with sisterhood, altruism, scholarship - and travel - to the State Convention in Visalia, on April 29th! I would love to see each and every one of you there! PLEASE COME!! There is more information further on in this newsletter!

It's time to consider stepping up to a leadership role in your chapter. **Which chapter office will you hold in this next biennium?** Remember that even though being an officer may have a few gotta-do's, you are a part of a team, a team that supports your chapter in all the wonderful things that you do. If you need help, call a sister! Can you imagine her saying no? Neither can I!

In addition to encouraging each of you to consider running for chapter office, I'd also like to encourage you to apply for the **Eleanor Bendell State Scholarship**. This \$2500 scholarship will be awarded to a member with a worthy project that needs funding or one who seeks to further her education by obtaining another degree or certificate. Applications are due March 1st!. More information and the application are on the State website, www.adkcalif.org. The user id and password are both kore123.

Teachers Helping Teachers

January 23, 2016

Dear Sisters,

California Alpha Delta Kappa members are truly sisters with BIG hearts!

Our "TEACHERS HELPING TEACHERS" project in Middletown has been awesome and heartwarming.

Middletown has a unified school district with one high school, one middle school and 3 elementary.

FORTY of these teachers lost their homes in this wild Valley Fire of 2015!

In the short time since this project was initiated we have received \$8635.00. Donations flowed in from councils, chapters, individual sisters and friends. To help raise the morale of the victims before the winter break "TEACHERS HELPING TEACHERS" gave each of the forty teachers a \$100 Amazon gift card in a personalized envelop with message from CALIFORNIA ALPHA DELTA KAPPA. Our goal was to have all funds go directly to the forty teachers to help replace some of their personal/professional losses.

These teachers were overwhelmed with our gesture of concern and kindness.

The next plan for disbursement of these funds is in the planning stage; stay tuned!

Our thanks and appreciation to all California Alpha Delta Kappa sisters for your show of altruism.

This is truly what ALPHA DELTA KAPPA is all about!

Fraternally,

Mayme Chinn

Dorothy Valo

Thank you, Mayme and Dorothy, for spearheading this worthy effort. Having received contributions from so many of you, we will bring this Teachers Helping Teachers campaign to an end. However, perhaps we should explore setting up a permanent fund within our altruistic endeavors - either on the state or the international level - to continue helping teachers who have suffered devastating losses. Let us know what you think!

Your State Executive Board

ATTENTION
CHAPTER PRESIDENTS!

If any of your members have joined the Omega chapter this biennium, please let us know as soon as possible so that we may include them in the Omega ceremony at State Convention. Please complete the H-119 Report for Member Changes form and send it to ADK Headquarters along with copies to:

State Chaplain Joanne Grimm
(pjrgimm@gmail.com),

AND... State Vice President/
Membership, Rebecca Sikes
(sikes.becky@gmail.com),

AND... State Treasurer, Karen Kirby
(adk.karen.kirby@gmail.com)

A Word from the Treasurer

Has your chapter sent in their dues? If not, PLEASE DO SO NOW!!! Treasurers, don't wait! If all members have not submitted dues, send them in anyway! If a member has not sent her dues, the best reminder is a personal phone

call from you! As your State Board strives to improve services to the membership, total revenue is down. California State dues, at \$20.00 per member, have not been raised in many bienniums. If our membership continues to decline, a nominal dues increase may be necessary in the future. THERE ARE TWO WAYS TO INCREASE OUR REVENUE. WE CAN RAISE OUR STATE DUES OR WE CAN RECRUIT NEW MEMBERS!

Also, remember, you may note any member changes on the form. However, your membership chair must file an H-119, Membership Changes form, with International for each member change. That is how member changes are officially made. You can find the form on the International website.

Send a Valentine to **Eli**

Our ITE student's
address is:

It's time to make sure you are recording your chapter's altruistic hours and monetary gifts! Send in your chapter's report to your Altruistic Reporting Chairman by March 15th!

Valley District Walks through Bakersfield

The Valley District Conference was held at Franklin Elementary School on November 7th. Sisters shared a continental breakfast before Wendy Hodash, Council President, called the meeting to order.

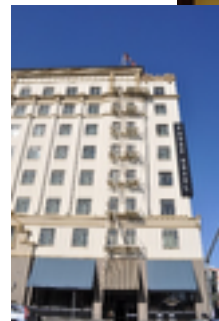

During the meeting the State Board incorporated an AΔK trivia game then highlighted the Kappan's "4-R's of Membership" (Oct, 2015) suggestions for how to recruit, reinstate, retain and revitalize.

A rededication ceremony was held by lighting candles and having all members sign forms for their chapters to have on file.

The program had Ken Hooper, a BHS teacher, share the work he and the CEO Academy Career Educational Opportunities are doing to help preserve the history of Bakersfield.

After lunch, Ken then led an informative tour of downtown Bakersfield.

Marina District Conference

California Alpha Delta Conference was held at the Club in Seal Beach. The theme “Sisters With Heart Get Their Kicks on Route 66” was the inspiration for the creative centerpieces, programs, and cookies in our goodie bags. The meeting began with a welcome by Orange County Council President Mari Page. Sisters enjoyed a delicious buffet breakfast. The Troublemakers, a harmonious quartet of ladies from Vanguard University serenaded everyone with songs from a bygone era. California State President-Elect led the State Executive Board members as they presented suggestions and solutions to recruit, reinstate, retain and revitalize California’s membership. This was followed by a rededication ceremony conducted by California State President Mary Ann Englehart. Mary Ann asked all sisters to rededicate themselves to the principals of Alpha Delta Kappa. Conference speaker Lynn Miller is an expert on the history of Route 66, the “Main Street of America.” Through her PowerPoint, we traveled with her along the Route, gaining greater insight and appreciation for the evolution of this American icon. The conference concluded with all sisters singing “The Lamp of Alpha Delta Kappa.” Karen Kirby

Chapter News...

Gamma Eta celebrated Founder's Day with an Informational Event for Prospective Members on October 5, 2015. Members and guests gathered at a local Chinese restaurant in Palm Springs for appetizers and beverages. Chapter funds were budgeted to pay for appetizers, with no-host beverages. Members donated gift cards that were creatively attached to paper flowers, which were arranged in a "flower pot." Only guests had tickets, and names were drawn two times throughout the evening. All guests left with a gift, with two guests receiving larger gift baskets. Four members spoke to the guests about our chapter, scholarships, World Understanding projects, and our local altruism projects. The weather was unseasonably cool for the desert, and our 12 guests and members appreciated a beautiful early evening on the restaurant patio, with lively conversations and laughter. We enjoyed meeting these 12 outstanding educators, and plans are in place to email them about upcoming meetings and events, and to invite them to membership when it is appropriate. Nearly every member had a small part to play in this successful event.

One of the Gamma Eta sisters received a wonderful surprise with a letter from a former 8th grade student. Author Lisa Graff was in her 8th grade English class in Big Bear, CA about 25 years ago.

In the letter, Lisa shared how much influence Suzanne Rouse had on her. She went on to say that she loved that Mrs. Rouse played classical music while the students had silent reading. Lisa shared that she especially liked *The Westing Game*, which gave her the idea for her book, *A Tangle of Knots* which was her 6th book and had enclosed a copy for Suzanne.

Lisa went on to say that while she was in Suzanne's class, she had also gone on Suzanne's annual class trip to Washington, D.C. and that she was made to sit by her "mortal enemy" on the plane. During that trip they found out that they didn't hate each other so much after all. That friendship has lasted and that previous "enemy" was in her wedding party.

Suzanne highly recommends *A Tangle of Knots* and Lisa's other books for second grade through middle school.

So many times, teachers never know what has happened to former students and it was a wonderful gift for Lisa to reach out to Suzanne. Lisa contacted Suzanne again when her book, *Absolutely Almost* was published and when Suzanne read the book she cried happy tears again when she read her name in the book. Lisa had thoughtfully included her 8th grade teacher in the story.

CONGRATULATIONS!
