5. Work with the Council Secretary/Treasurer to plan a council budget annually during the biennium which includes all necessary expenses. Planning District Conferences by Host Councils

District Conferences are annual meetings of chapters within each of the four districts with the California Alpha Delta Kappa Executive Officers.

2022-2023

October 1, 2022	Northern District Conference (Peralta Council)
November 5, 2022	Valley District Conference (Bakersfield Council)
January 21, 2023	Marina District Conference (Channel Islands Council)
March 11, 2023	Southern District Conference (San Diego Council)

2023-2024

October 7, 2023	Northern District Conference (Sierra Council/Delta Council)
November 4, 2023	Valley District Conference (Fresno/Modesto Council)
January 20, 2024	Marina District Conference (Orange Coast Council)
March 9, 2024	Southern District Conference (Inland Cities Council)

Why:

1. To encourage fraternal fellowship among chapters and members of the district
2. To meet with the members of the State Executive Board and share ideas
3. To enrich members' knowledge and understanding of Alpha Delta Kappa
4. To expand members' view of Alpha Delta Kappa beyond the chapter and council
5. To share a delightful day of Alpha Delta Kappa

Who:

1. The responsibility for hosting the district conference is rotated annually among the different councils within each district. In the event of a joint council district conference, the host council also rotates annually.
2. The president of the hosting council runs the meeting from the beginning to the end with assistance of the council and the State Executive Board.
3. The state liaison officer and State President-Elect assist in the planning.
4. The entire State Executive Board attends the meeting.

What:

1. The District Conference consists of a morning (2 ½ hours) business meeting, including a learning/sharing experience on any aspect of Alpha Delta Kappa desired by the hosting council. The session may take the form of workshops, panel discussions, speakers, or a combination thereof, or whatever else is desirable and practical. Plenty of time should be scheduled for socializing, as well. Be as creative, original, and resourceful as possible. The conference belongs to the district and the hosting council, but the State Executive Board is also involved in the planning. The breakfast or luncheon is a special social time that can include a speaker or program.
2. The State President should be given the opportunity to speak at either the morning or luncheon session.
3. Members of the State Executive Board are available as resource people or discussion/workshop leaders for the morning session. Work with your liaison officer from the State Executive Board and the State President-Elect as to how to utilize the state officers.
4. The venue should accommodate the scope of the planned event and projected attendance. Handicapped access must be available for conference and break-out sessions. For the use of the State Board and any speakers, the venue should also include a microphone and projector and screen or clean wall with seating arranged for maximum viewing. Rev 8/22

Planning Tips for President of the Host Council

1. Start early. A year in advance is not too soon.
2. Get a general idea of the type of morning conference desired and begin planning. Contact the State President-Elect with your plans and to firm up plans for the participation of the State Executive Board.
3. Delegate responsibilities to chapters in the council, e.g. reservations, morning session planning, luncheon, speaker or program, decorations, registration and name tags, door prizes, printed flyers and programs, hostesses, centerpieces, etc.
4. Reserve the meeting place. Get as much of the agreement in writing as possible. If workshops are being given, try to negotiate break-out rooms. Remember to consider handicapped accessibility.
5. As you determine the registration fee for the event (luncheon and other costs), have your Council Treasurer acquire a D-1 Tracking Form or an EZ D Tracking form from the International website under Documents and Forms. Be sure to file it with the State Treasurer by July 1, following the District Conference.
6. Refunds for the district conference may be considered by the council(s) only if there are extenuating circumstances. A member must request a refund in writing to the host council president within thirty days of the conference giving the reason(s) for requesting the refund. The council will notify the member of its decision.
7. Send invitations, either handwritten or via email, to each State Board member. Include a registration form within the State Treasurer's invitation. She will return it with a check from the state treasury to cover the luncheon fees for the State Executive Board.
8. Obtain a copy of the minutes from the previous District Conference either from your previous Council Secretary or state liaison officer.
9. The previous minutes may be read by the hosting Council Secretary at the conference with an entertained motion to approve, OR minutes may be read and approved by three members appointed by the hosting Council President who attended the last District Conference. Without any objections, the minutes can be approved as read and/or corrected by the committee. Copies should be made available for those who want to read them.
10. According to California's Policy and Procedures, the host council may organize fund-raising activities only to defray expenses of the conference. If funds remain after expenses are met, a portion of the money may be retained by the council for future conference expenses. Any remaining funds will be designated for the council's altruistic project, or for the state altruistic project, or for the state's scholarship account. Refer to "Chapter Sales at District Conferences" included in this handbook in the Protocol for a District Conference for procedures to guide chapter sales at district conferences.
11. The hosting Council President serves as the overall chairperson and Mistress of Ceremonies for the entire day. The rewards of responding to the challenges of a District Conference are great in terms of satisfaction, friendship, and growth.
12. Review the "Sample Agenda for District Conference" included in this handbook as a guide when preparing the conference agenda.

Sample Agenda for District Conferences

- I. Registration (usually between 9:00-9:30)
- II. Morning Meeting (usually begins at 9:30)

 - B. Flag Salute – State Historian/Sgt-at-Arms
 - C. Chaplain’s Thought—State Chaplain

 - E. Minutes of the Previous District Conference - Host Council Secretary.
At least 10 copies need to be available for members to read upon request.
Minutes may be:
 - read aloud, OR
 - accepted by the Host Council President as approved by a committee. (See Planning Tips, item #8) In this case, minutes would NOT be read at the District Conference.
- F. Treasurer’s Report—State Treasurer
(may include a brief fraternity education, as well as financial figures)
- G. Membership Report – State Vice President for Membership
- G. Introductions—State President-Elect
 1. State Board (part of fraternity education)

- D. Closing Thought—State Chaplain
- E. Singing of “The Lamp of Alpha Delta Kappa”

Protocol for a District Conference

1. The United States flag should be in the room during the conference. The State Historian/Sergeant-at-Arms will open the conference with the flag salute.
2. The eight members of the State Executive Board should be spread amongst the tables to give members a chance to meet them and ask questions. This is preferred to a head table set-up.
3. When the State President is introduced for the first time, it is customary for the membership to stand and applaud.
4. The State President should be given the opportunity to speak either at the luncheon or the morning session.
5. Name cards for the State Board members should be placed at each table for the luncheon to ensure that each board member is at a different table. This allows board members to meet the membership and ensures them seating.
6. To close the conference, it is customary to sing the “The Lamp of Alpha Delta Kappa”.

Chapter Sales at District Conferences

1. To sell items at district conferences, chapters must request permission from the host council. This request must be in writing and made at least three months in advance of the conference. The host council will approve or disallow the request and notify the chapter of its decision within 10 days of receiving the request. The host council has sole discretion, considering facility and program constraints, to grant or deny permission.
2. Chapters given permission by a host council to sell will pay that host council a non-refundable set-up fee of \$20.00.
3. Items to be sold must be related to and/or in support of Alpha Delta Kappa and its altruistic endeavors.
4. The host council will assign the location of sales tables. Sales are only to be conducted prior to and immediately following the conference, but not during the conference. A conference shall be defined as the time between the official convening and the adjournment.
5. The host council may choose to allow sales during meal breaks.
6. All proceeds from sales/services must be placed in Alpha Delta Kappa accounts and used solely for altruistic purposes.
7. **District conference raffles** may be permitted if conducted in accordance with California laws. Raffles must be registered with the California Attorney General, Registry of Charitable Trusts (CA AOG, RCT) 60 days prior to the raffle. A chapter within the Host Council must register the raffle and report the raffle proceeds to the CA AOG, RCT after the raffle is held. Compliance with California law is required in order to maintain non-profit status. Directions and forms are on the California website in Treasurer’s Corner.

Calendars

An excellent calendar resource was included in the Chapter Officer Reference Guide that was sent to the chapter president, treasurer, and vice-president for membership. This guide contains hyperlinks to the Alpha Delta Kappa Officer Deadlines and Events for odd and even years. Refer to this officer reference guide to create a copy of the calendars.

Dates of meetings and events are subject to change. Be sure to check the online version of the **Presidents' Council Handbook** on the **California AΔK website** www.adkcalif.org frequently.

Contact the State President-Elect informing her of any changes in Council meeting dates. The State President-Elect will submit changes to the **Presidents' Council Handbook** to the Technology/Webmaster Chairman to post on the **California AΔK website**.

The “Lamp of Alpha Delta Kappa”,,,

To Alpha Delta Kappa
We pledge our loyalty
To sisters who are always true
We'll ever faithful be.

The sacred lamp of learning
Upon our altar stands,
Its radiant glow will e'er bestow
A light to all the lands.
